8) Build your profile in the **NFAIS Community**.

Upload your photo, send connect invites, use the community email engine and create your own circles. nfais.memberclicks.net/member-home

9) Ever wondered how to **register a group** for a NFAIS event? Just obtain and use your Assembly Representative NFAIS website login credentials. This gives you a seamless way to register more than one of your staff for an NFAIS event.

10) Stay active in NFAIS! Remember NFAIS is the premier place to connect with government, academia, nonprofit and commercial business leaders in information services. www.nfais.org
